TIDY UP @ NEW CALTON

**New Calton Burial Ground
11am-3pm Saturday 22 April**

Join us for a Community Tidy Up Day for Earth Day 2017. We'll weed, litter pick, plant and plan phase two of our green planting project. We'll have history tours of the graveyard for all those who come along.

Our work is supported by the New Waverley Community Fund, a joint initiative between the City of Edinburgh Council and Artisan Developers.
